The Ancestors & Ancient Wise

Folk will read "We Call Through the Mist"

We call through the mist to the Ancient Wise,

To poets, magicians, and priests.

We, too, keep the fire of the Ancient Ways,

We have honored you well at our feasts.

Wisdom and love we have gained in the work,

But greater from you we now seek.

The voice of the wise has been stilled for too long,

And with it we now hope to speak.

So lead us, and speak to us, open our eyes,

Guide us in mind, heart, and hand.

Teach us, we pray you, the ways of the wise,

For the Gods, for the Folk, for the Land.

~~~~~  
Issac bonewits was a great man. His thought and actions influenced people around this green Earth. His impact on paganism may never be fully catalogued and all those who call themselves Pagan today owe him a debt of gratitude. We stand together this day to honor his accomplishments and to send him with praise and song and mirth into the halls of the beloved dead.

Isaac's battle with cancer took its toll on his family. We ask that you consider making a donation to help ease their situation in their time of mourning.
